

## ONLINE ADMISSIONS MADE EASY FOR SCHOOLS AND FAMILIES

Simplify your admissions process and go paperless  
from enquiry to enrolment.

OpenApply is built for international school admissions offices to automate their workflows and communicate more efficiently with families. Our web-based system eliminates paperwork and streamlines your process from enquiry to enrolment, helping you find the best students for your school.

# Discover The Best Way To Manage Your School's Admissions Online

An integrated system to showcase your school, accept parent enquiries, build customisable application forms, schedule tours, track applicants through the admissions process, communicate with families, create and send targeted e-mails, monitor enrolment in real-time & more.

## STREAMLINE ENQUIRIES & APPLICATIONS

Automate your application process and respond to enquiries more effectively. Families can easily register for open house events, schedule school visits and register interest in just a few clicks.

## IMPROVE ADMISSIONS & ENROLMENT

OpenApply allows your admissions committee to collaboratively evaluate applicants and make better admissions decisions.

## COMMUNICATE MORE EFFECTIVELY

Enjoy smooth communication with your applicant pool, organise custom mailing lists and automate notifications to save time during acceptance and enrolment.

## ANALYSE & OPTIMISE

OpenApply helps you see the big picture! View applicant trends instantly with OpenApply's easy to read analytics dashboard. Create custom reports in minutes.

## Want to improve your international school's admissions process?

Take advantage of a **FREE 60 day trial** of OpenApply, including full support and one-to-one training to get you started.

## KEY FEATURES

- ✔ **Easy Setup**  
Simply send us your current application forms and admissions checklist and we will create your personally designed, online version within 48 hours!
- ✔ **Simplify Payments**  
Easily invoice and accept application fees online via credit card with easy reconciliation and automated invoice reminders.
- ✔ **Track applicants from enquiry to enrolment**  
Centralise applicant & family information, transcripts & tests, recommendations and interview notes.
- ✔ **Customisable**  
Tailor your admissions experience with highly customisable forms, use your school logo & colours and more.
- ✔ **Integrated**  
Import and export information directly to your student information system with our customisable Excel templates.
- ✔ **Secure & Reliable**  
The only ISO/IEC 27001:2013 certified provider with global data protection compliance. Daily redundant backups and SSL encryption keep your data safe & secure.
